THE FIRST BMW i5: EXPRESSING ELECTRIC

The all-electric BMW i5 features a wealth of digital innovations and, for the first time, all-electric drive - this is how the new BMW 5 Series Sedan steps up to the plate. As the BMW i5, the new edition of the world's most successful sedan takes the lead on the road to sustainable premium mobility in the upper mid-range vehicle segment.

MODEL HIGHLIGHTS

- 21" BMW Individual light alloy wheels
- Adaptive LED Headlights
- BMW Iconic Glow illuminated kidney grille surrounds
- BMW Individual High-Gloss Shadow Line
- BMW Interaction Bar
- Bowers & Wilkins surround sound system
- BMW CraftedClarity Glass Application
- M Lights Shadow Line
- M Seat Belts
- M Carbon Exterior Mirror Caps
- M Carbon Rear Spoiler
- BMW Individual Merino Leather

0-100km/h:	3.8 sec
Fuel Type:	Battery Electric
Battery:	84 kWh
Max. DC Charge:	205 kW
Range:	Up to 516 km (WLTP)
Power/Torque:	442 kW / 820 Nm

Price incl. GST \$196,900

Clean Car Programme (Estimated Rebate / Fee)* **cost neutral**

* To obtain NZ Fuel Consumption and Emission figures for vehicles imported by BMW Group New Zealand you will need to contact your preferred dealer. In relation to the NZ Clean Car discount or *FeeBate the WLTP3 Emission and Consumption figures converted by the NZ government will differ from the WLTP4 figures listed in BMW owner's handbook and reported figures. For more information on the New Zealand Clean Car Programme, please [click here](#).

THE i5 HIGHLIGHTS

FORMIDABLE FRONT.

Inspired by a shark nose, the i5 has a muscular stance that further accentuates the sporty character. The meticulously sculptured bonnet adopts the kidney grille shape, allowing it to seamlessly blend into the iconic kidney grille – showcasing attention to detail at its finest.

ILLUSTRIOUS ILLUMINATION.

Another distinguished and characteristic feature is the strikingly illuminated BMW Iconic Glow kidney grille surround, lending the BMW 5 Series an unmistakable appearance - both during the day, and after dark. The Welcome and Goodbye Light features a light carpet that projects an ambient light design onto the floor on the sides of the vehicle, which delivers a dazzling light show as well as for added safety.

PERSISTENT PERFORMANCE.

The BMW 5 Series also delivers a whole new level of dynamic performance. The BMW i5 features a 'BOOST' paddle behind the left spoke of the steering wheel triggering maximum acceleration. Along with a chassis with double-wishbone front suspension and a five-link rear axle suspension system, The i5 does not compromise on delivering the typical BMW sportiness and agility.

INGENIOUS INTERIOR.

Generous space, carefully crafted touchpoints, with supreme seating provide the perfect mix of comfort and performance. Equipped with BMW Individual Leather Merino, BMW CraftedClarity Glass Application, M Leather Steering Wheel and Panorama Glass roof – the i5 is an indulgent and worry-free experience no matter how long or short the journey.

TRANSFORMING TECHNOLOGY.

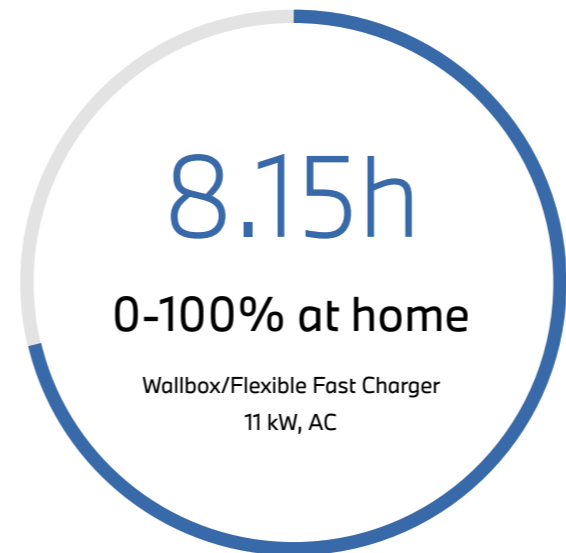

The innovative BMW Interaction Bar is the centre of attention inside the cockpit. Looking much like a piece of crystal jewellery, it spans the length of the instrument panel, displaying a crystalline-like illumination display of functions. The 12.3" instrument display and a high-resolution 14.9" Control Display allows for Video streaming* and innovative form of in-car gaming.

CHARGE FASTER

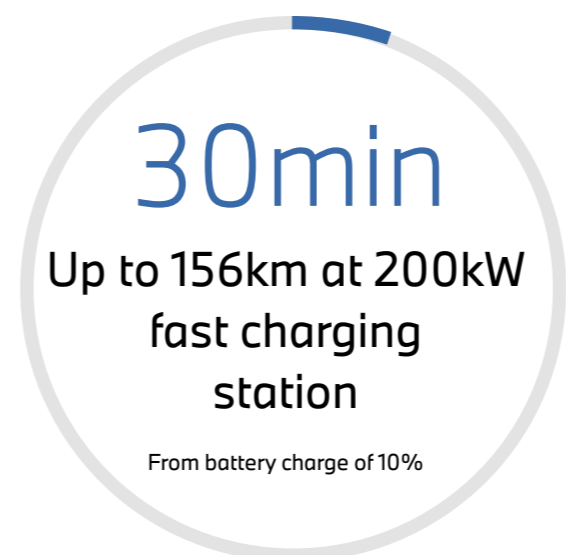

516 km* of electric range reach all each everyday destination. Low consumption of only 19.6–18.4 kWh/km* through technologies such as recuperation during braking. Maximum efficiency thanks to lightweight construction methods and aerodynamic design

BMW i5 M60 xDrive

Home charging

Using the BMW Wallbox, the Smart Partner Wallbox (both optionally available with installation service and green energy contract) or the BMW Flexible Fast Charger for domestic or (using a separately available adapter) industrial sockets.

Public charging

The battery of the BMW i7 can be charged using DC and HPC fast-charging stations as well as AC charging points. The BMW Charging Card and the My BMW app provide access to the public BMW Charging network.

BMW WALLBOX

Stay charged and ready to go with the BMW Wallbox Gen 3. With its safe and high-charging capacity of up to 22kW*, start charging any vehicle as soon as it's connected. Featuring clever compact design and easy to use cable management, the Wallbox connects directly to the power supply, so you always have the power you need for the journey ahead. BMW Wallbox's are suitable for all fully electric and hybrid vehicles that have a type 2 charging socket.

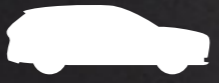

To discover more about how the BMW Wallbox works please click to watch a quick information video.

Each BMW 3rd Generation Wallbox package includes all mounting hardware and fixings including the Wallbox itself, installation instructions, the operating manual and drilling template. The BMW Wallbox is designed for indoor and outdoor use. When selecting the installation site, consider access from the charging socket to the vehicle and the direction in which the vehicle is normally parked.

MEDIUM SUV
7.5 Hours to charge 0-100%[^]
55% charged in 4 hours

LARGE SUV
7.15 Hours to charge 0-100%[^]
56% charged in 4 hours

[^]The calculation takes into account consumption and charging performance. Values refer to 29-33 degrees Celsius battery start and ambient temperature with certification values excluding additional auxiliary consumers such as seat heating, displays, air conditioning. Individual consumption may vary (depending on e.g. driving profile, temperature, ambient conditions) as well as the individually achievable charging performance (depending on e.g. battery state of charge, vehicle air conditioning). Charging performance is based on the maximum possible charging performance (depending on charging type and vehicle).

THE BMW CONNECTED DRIVE

DIGITAL KEY

Why put your key in the ignition if you have your smartphone with you? The Digital Key allows you to lock and unlock your BMW and even start the engine without needing a physical key. It can be downloaded to your smartphone using the My BMW app and shared with family and friends.

CONNECTED NAVIGATION

The My BMW app can import appointments and addresses from your smartphone straight into the navigation system to begin route guidance. The system also calculates the optimum departure time based on real-time traffic information and informs the driver with an app notification on their smartphone.

CONNECTED PACKAGE PROFESSIONAL

Remote Services, Real Time Traffic Information, Apple CarPlay® preparation or perhaps In-Car Experiences? Why order individual options when you can have everything together? With the Connected Package Professional, you can enjoy these services from BMW ConnectedDrive.

THE BMW LIVE COCKPIT

The brand new infotainment, navigation and multimedia system (BMW Operating 8.0) provides cutting edge innovations as standard. Incorporating new generations of professional multimedia, BMW Live Cockpit Professional features high resolution control display, fully digital instrument panel and includes the ConnectedDrive digital services

DRIVING ASSISTANT

Driving Assistant Professional offers optimum comfort and maximum safety during lots of critical or monotonous driving situation with Steering and lane control assistant incl. support in narrow places, Emergency Stop Assistant, local hazard warning, Lane Keeping Assistant with active side collision protection and other safety functions.

BMW INDIVIDUAL

The expression of personality.

Accentuate your own character with genuine exclusivity: this is precisely what BMW Individual aspires to. Whether you are seeking a special colour or exclusive materials, you can provide a perfect figure for your inspirations. With an automobile that matches your preferences precisely, down to the finest detail. BMW Individual – an expression of personality.

LIMITLESS.

From Dakar Yellow to Nardo Grey: BMW Individual offers you a wide range of exclusive paint finishes to choose from. More than 120 different colours are available, allowing every character to find its own personal expression. Matt paint finishes by BMW Individual boldly emphasise the powerful design language of every BMW.

UNMISTAKABLE.

In designing the details of the interior with immaculate fine-grain Merino leather, BMW Individual leaves you a completely free hand. From the choice of colours to the composition of impressive leather coverings in Bicolour, everything is possible. Masterly contrasting stitching produces an exclusive character. Personalised signets and monograms form highlights of individualisation.

LIMITLESS.

All trims have one thing in common: they are made of the highest quality materials. Whether they are made of aluminium mesh, carbon or precious wood - create exciting contrasts in the interior of your BMW M or achieve corresponding effects between the interior and accent trims and the leather upholstery.

THE INTELLIGENT ALL-WHEEL DRIVE SYSTEM FROM BMW

BMW xDRIVE

Weather changes and road situations can change in a flash, whatever the season. But with xDrive, BMW's intelligent all-wheel drive system, your car will respond quickly to allow you to enjoy maximum driving pleasure, even on the most difficult road surfaces. 4WD, all-wheel drive and 4x4 are all terms that are used interchangeably, but all equate to the same thing. BMW xDrive is powered by an extra layer of intelligence, making it one of the most technically advanced all-wheel drive systems in the segment.

The xDrive system is automatically enabled each time the engine is started, so it is permanently engaged to ensure you have maximum grip in all conditions. Therefore, it is not necessary or possible to activate or deactivate the system.

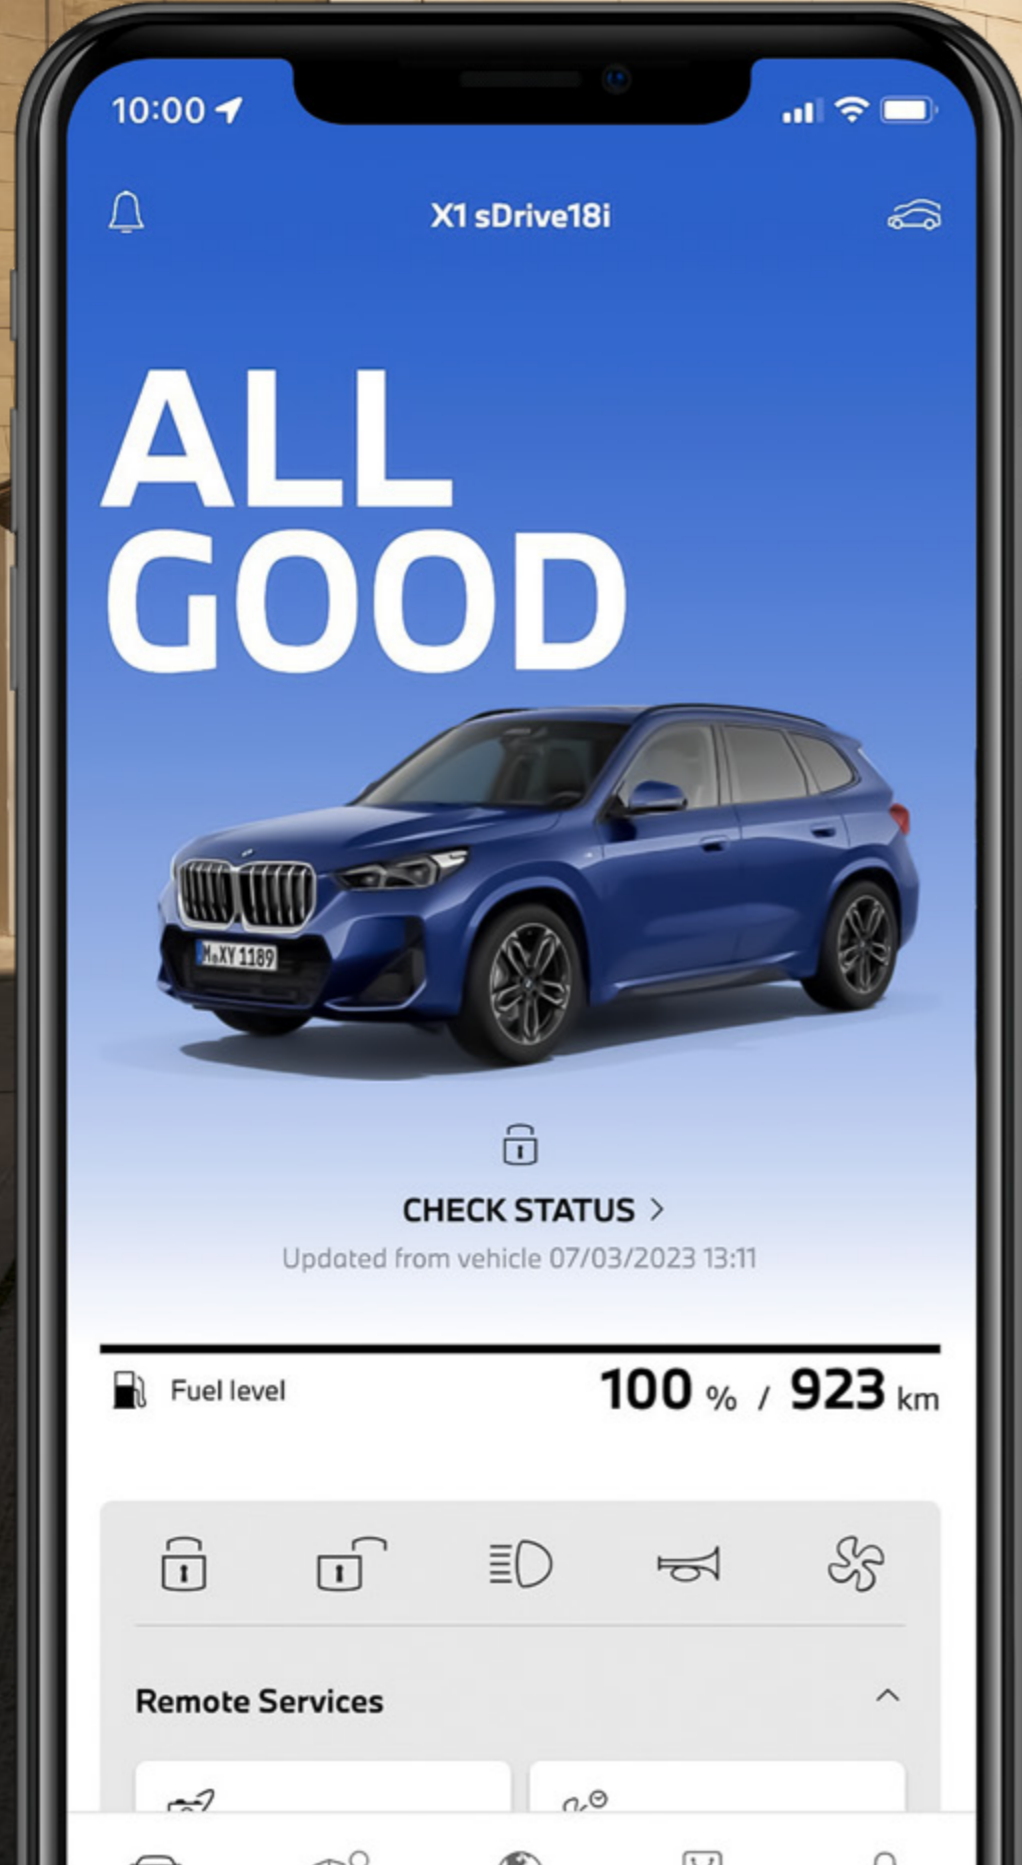

MY BMW APP

STAY IN THE DRIVER'S SEAT,
WHEREVER YOU ARE.

Connect your vehicle to your life. The My BMW App keeps you at the wheel with total control of your BMW, whether you're in your vehicle or not.

- **Remote control**
Lock and unlock your BMW from wherever you are.
- **Location location location**
Access your car's location remotely and send locations to your car's GPS, so you're always ready for the journey.
- **Driving conditions**
Set the temperature of your car remotely for the perfect climate the moment you open the door.
- **Great service**
Let your BMW tell you when it's time for a service, then schedule it with just a touch.
- **It's personal**
It's MyBMW, after all. Enter your BMW's colour palette, and the app design follows suit.

THE 15 PACKAGES

M SPORT PLUS PACKAGE

- M Lights Shadow Line (3MF)
- M Red Brake Calipers (3M2)
alternatively Dark Blue Metallic (3M1)*
- M Seat Belts (4GQ)
- BMW Individual High-Gloss Shadow Line with extended Contents, in Black High-Gloss: (7M9)
Radiator grille frame
Taillight trim strips
- M Carbon Exterior Package, includes: (71C)
M Carbon Exterior Mirror Caps)
M Carbon Rear Spoiler

Optional

\$4,700

* 3M1 must be specified in vehicle order, if Dark Blue Metallic Brakes are chosen

COMFORT PACKAGE

- Steering-wheel heating (248)
- Roller Sunblinds (416)
- Comfort seats front, electrically adjustable (456)
- Seat heating, rear (4HA)

Optional

\$2,300

THE **i5** EQUIPMENT

STANDARD EQUIPMENT

i5 M60 xDRIVE

ELECTRIC MOTORS, BATTERY, POWERTRAIN AND TECHNOLOGY

- 2x current-excited synchronous motors, one front, one rear High voltage battery, 84 kWh gross, 81.2 kWh net
- BMW xDrive all-wheel drive
- M specific drivetrain and chassis tuning
- High voltage battery certificate, 8-year/160,000 km warranty
- Adaptive Suspension
- Active Anti-Roll Stabilisation
- Integral Active Steering
- AC Charging Professional onboard charging, 22kW
- Flexible Fast Charge cable, Mode 2, includes domestic plug
- Public charging cable, Mode 3
- Tyres non-Runflat, includes tyre repair kit

SAFETY

- Acoustic Protection for Pedestrians
- Active Protection incl. Attentiveness Assistant
- Alarm system
- Airbags, 7 in total: driver & front passenger front, central airbag between driver and front passenger, full-length side airbags (front seats) and head protection side curtain airbags in headliner
- Inner-vented front and rear disc brakes

- Central locking with electronic immobiliser
- Dynamic braking lights
- Dynamic Stability Control (DSC), Anti-lock Braking System (ABS), Braking Assistant, Cornering Brake Control (CBC), Dynamic Traction Control (DTC), PostCrash light braking function
- Warning triangle and first aid kit

DRIVER ASSISTANCE

- BMW Head-Up Display
- Driving Assistant Professional, incl. Active Cruise Control with Stop&Go, Lane Change Warning, Lane Departure Warning, Front & Rear Crossing-Traffic warning, Rear Collision Prevention, Exit Warning, Steering and Lane Control Assistant, Automatic Speed Limit Assist, Evasion Assistant, Front Collision Warning w/ Brake Intervention
- Rear View & Surround View Cameras
- Parking Assistant Professional, incl. Parking Assistant with Active Park Distance Control, Lateral Parking Aid, Surround View, Panorama View, 3D View, Reversing Assistant Professional up to 200m distance, additional object and line marking detection via surround view cameras, and Automated Manoeuvre Assistant, Remote Control Parking via the My BMW app
- BMW Drive Recorder
- Speed Limit Info
- Speed limiter, driver-adjustable setting of desired maximum speed
- Tyre Pressure Monitor

LIGHT AND SIGHT

- Adaptive LED Headlights with Matrix High-Beam
- High-Beam Assistant
- Ambient interior lighting
- Electric folding external mirror, driver's side with automatic dimming

EXTERIOR DESIGN AND EQUIPMENT

- 20" M aerodynamic wheels 940 M Bicolour Jet Black (3GT)M front and rear apron design
- M High-Gloss Shadow Line
- M Sport Brakes with calipers in dark blue metallic
- M Side Sills in High-Gloss Black
- M Leather Steering Wheel, flat-bottom design
- M Headliner Alcantara Anthracite
- M Rear Spoiler
- Metallic paintwork
- BMW Iconic Glow illuminated kidney grille surround

STANDARD EQUIPMENT

INTERIOR DESIGN, COMFORT AND EQUIPMENT

- BMW Individual Leather 'Merino' Upholstery
- Active seat ventilation, front
- Sport Seats front, electrically adjustable, includes lumbar support and memory function
- BMW Interaction Bar
- BMW CraftedClarity glass application, handmade glass elements in crystal cut: iDrive Controller, Start/Stop button, Volume roller, Gear selector switch
- Seat heating, front
- Automatic air conditioning, 4-zone
- Auxiliary heating, air-conditioning and pre-conditioning
- Remote Engine Start, remote pre-conditioning of interior climate
- Comfort Access
- Automatic tailgate operation incl. contactless operation of the tailgate
- Panorama Glass Roof
- Interior trim, Carbon Fiber with high-gloss silver threads
- Door sill finishers with illuminated model line designation
- Through loading system

BMW CONNECTEDDRIVE

- Intelligent Emergency Call
- BMW TeleServices
- BMW ID, personalisation of vehicle settings, via vehicle login into BMW Connected customer account
- Wireless smartphone integration of Apple CarPlay and Android Auto

- Vehicle apps (News and Weather)*
- BMW Intelligent Personal Assistant*
- Remote Software Update*
- Connected Package Professional* incl. Remote Services*, Real Time Traffic Information (RTTI)*
- BMW Natural Interaction
- Personal eSIM (activation services TBC)
- Interior Camera, includes video anti-theft recording

* 3 year subscription

ENTERTAINMENT, COMMUNICATION AND INFORMATION

- BMW Live Cockpit Professional, 12.3" digital instrument display
- Navigation and Infotainment via 14.9" Curved Control Display feat. BMW Operating System 8.5 with QuickSelect. natural voice recognition and map updates*
- DAB+ digital radio
- Wireless smartphone charging
- Extended Bluetooth Connectivity
- Bowers & Wilkins Surround Sound system, 17 speakers, 655 Watts
- Travel & Comfort System, interface for holding tablets incl. USB C port
- 6 x USB C ports and 4 x 12V power sockets

* 3 year subscription

OPTIONAL EQUIPMENT

3AC Towbar

The electrically adjustable towbar is operated by a switch in the luggage compartment. It can be swilled electrically until completely underneath the rear apron. Includes a trailer stabilisation monitor. The maximum Trailer load is 2,500kg

(Does not include on-road costs)

\$2,600

BMW OFFERS & SERVICES.

BMW GROUP FINANCIAL SERVICES

BMW Group Financial Services is your one stop shop for all your Finance, Leasing and Insurance needs.

Each BMW dealership has a dedicated Business Manager who can put together a tailored finance and insurance package, to make getting into your next BMW even easier.

Speak to your Business Manager today about our Finance and Insurance products.

GENUINE BMW SERVICE

Quality and safety are the essence of a Genuine BMW Service. When you buy a BMW, you can look forward to superb service and comprehensive customer care.

BMW Service Inclusive is complimentary with all BMW's sold new in New Zealand for a period of 3 years, so you don't have to waste a moment thinking about the cost of maintenance for your vehicle.

For more information visit [bmw.co.nz/service](https://www.bmw.co.nz/service)

BMW DRIVING EXPERIENCE

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you. Sign up for a BMW Driving Experience course and you will learn what these remarkable vehicles can really do. More importantly, you will also acquire essential skills that will enhance your driving ability and safety.

For more information, call 0508 BMW DRIVE (0508 269374) or email BMW@tracktime.co.nz

COST OF OWNERSHIP

PEACE OF MIND, SO YOU CAN GET ON WITH THE JOY OF DRIVING.

5 YEAR WARRANTY*

- BMW NZ factory-supported warranty programme.
- Covers manufacturing defects.
- Transferable to the next owner.
- Valid for 5 years/100,000 kms.
- No claims excess.

5 YEAR ROADSIDE ASSIST*

- Emergency Hotline, 24/7, 365 days a year.
- Includes onward travel and accommodation.
- Includes lock-out or lost key assistance.
- Includes tow to emergency charging.
- Valid for 5 years/unlimited kms.

3 YEAR FREE SERVICING*

- Includes scheduled servicing and maintenance tailored to the NZ market.
- Includes all warrant of fitness checks.
- Includes oil top-ups and wiper blades.
- Valid for 3 years/unlimited kms.

3 YEAR CONNECTED DRIVE SERVICES*

- BMW Connected App for iOS and Android.
- Includes free map updates.
- Real-time traffic information.

*All programmes tailored for the NZ-new vehicle market.

SUSTAINABILITY AT BMW

ACTIONS AND TECHNOLOGIES THAT HAVE A REAL EFFECT.

No competitor comes close to matching the comprehensive and diverse BMW Group portfolio of electrified models (fully electric BEV, partly electric PHEV), with half a million such vehicles delivered to customers to date.

- In co-operation with ChargeNet, BMW i customers in New Zealand can access the ChargeNow 'electric highway' - 100 fast-charging stations from Kaitaia to Invercargil.
- BMW Group considers sustainability a fundamental aspect of its past, present and future corporate strategy.
- Decades-long history of action to protect the climate and significantly reduce fuel consumption.
- Focus on further electrification of the product roster as the key measure for lowering CO² emissions.
- Largest range of plug-in hybrids as the most versatile form of electrification.
- Greatest benefit of plug-in hybrids: enabling both customary range and driving without generating local emissions.
- Fully electric BMW i3 is uniquely sustainable, with sales figures still rising six years after launch.
- By 2023: 25 models with electrified powertrains, half of them pure battery electric vehicles.
- Numerous awards for eco-conscious design covering the entire product lifecycle.

MEET THE ELECTRIFIED BMW FAMILY

For an electric vehicle it is not only important to consider how fast and safely it travels, but also how far it will take you. In this consideration, the range of an electric vehicle also depends on factors such as the speed, driving style and outside temperature as well as the use of the air conditioning or seat heating. These are factors that we cannot calculate. But all the others we can. Here you can find out all about the ranges of our electric cars and plug-in hybrid vehicles.

EVERY GREAT REVOLUTION BEGINS WITH A CHARGE

ChargeNow, in cooperation with Charge Net, enables BMW i customers in New Zealand to access the entire Charge Net® network of public charging stations with a single ChargeNow card.

BMW owners that join will receive FREE membership including ChargeNow membership cards and 10% discount on all charging sessions used in the ChargeNow charging network for the first 24 months.

ChargeNow, makes everyday on-the-go charging a convenient and seamless part of owning a BMW i vehicle. Through ConnectedDrive, the in-vehicle BMW i navigation (through Navigation Professional) or by using the BMW i Remote app, BMW i drivers can easily locate the nearest public charging stations, with real time use status shown, if available.

All BMW i owners are provided 2 complimentary ChargeNow cards with each BMW i vehicle, for customer support and access to all public charging locations on Charge Net's growing network - to plug in and charge the BMW i.

[VISIT CHARGENOW.CO.NZ](https://www.chargenow.co.nz)

WHERE CAN I CHARGE MY CAR?

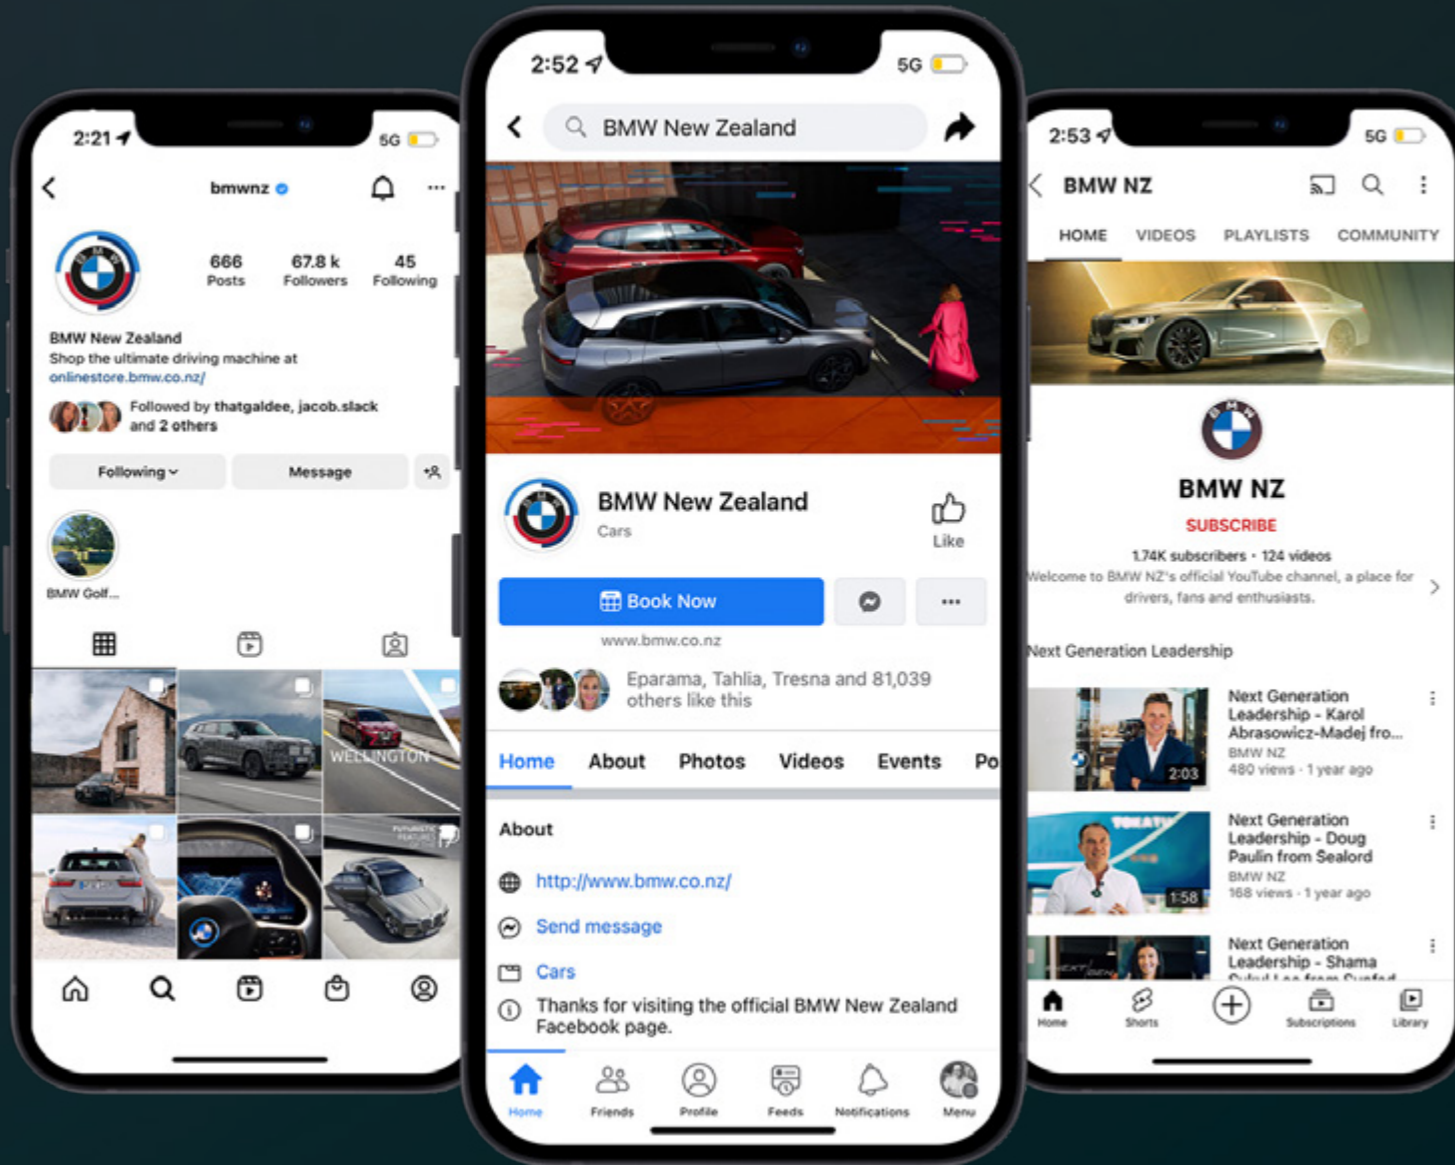

There are a growing number of stations across New Zealand and are expanding all the time. Find your favourite station in a certain location or quickly view recent charging stations.

[CHARGENOW LOCATIONS](#)

THE BMW i REMOTE APP

Find public charging stations, check availability, and send their locations directly to your BMW i. Communicate directly with your BMW i vehicle, including car location, range, and battery levels. Set preconditioning, for optimal battery and cabin temperature. Locate points of interest.

IMMERSE YOURSELF IN THE WORLD OF BMW

Keeping up with the Ultimate Driving Machine has never been easier. Connect with us online and stay up to date with the latest from BMW.

www.bmw.co.nz

FURTHER INFORMATION ON CO₂ DATA

The values of fuel consumptions, CO₂ emissions and energy consumptions shown were determined according to the European Regulation (EC) 715/2007 in the version applicable at the time of type approval. The figures refer to a vehicle with basic configuration in Germany and the range shown considers optional equipment and the different size of wheels and tires available on the selected model.

The CO₂ efficiency specifications are determined according to Directive 1999/94/EC and the European Regulation in its current version applicable. The values shown are based on the fuel consumption, CO₂ values and energy consumptions according to the NEDC cycle for the classification.

When charging times are shown they can be affected by a number of factors such as type of charger, voltage supplied to the charger/car and type of current (AC or DC) supplied to the charger/car. The car also plays a role in charging times as it can be set by the driver to accept various different amperage and should preconditioning be used to heat or cool the vehicle while charging this will also affect the charging time.

The basis for the calculation of the charging times for 100 km range is the electric consumption of the vehicle based on the use of a high-Powered Charging station (HPC) or charging type and current as indicted in the literature above. The testing procedure measures are based on a 23 degrees Celsius battery start and ambient temperature with certification values excluding additional auxiliary consuming devices and systems within the vehicle such as seat heating, displays, air conditioning.

Individual consumption (fuel economy) may differ due to driving profile, vehicle load profile, auxiliary consumer usage, temperature, and ambient conditions. Consumption is based on WLTP or NEDC (whichever is indicated) best case conditions and is independently tested for BMW Group. If you are comparing this range with other models or brands make sure they are stating the same WLTP or NEDC testing regime. These results can be used to compare vehicles on a close to "like for like" basis but are unlikely to be achieved in real world conditions for reasons including temperature variation, driving conditions and the use of the auxiliary systems referred to above.

Information provided and images displayed in this brochure include overseas models and may show some features not available in New Zealand. Please contact an authorised BMW dealer for specific information on vehicles and features available in New Zealand. Product changes may have been made since production of this content.

Note: To obtain NZ CO₂ figures for vehicles imported by BMW Group NZ in relation to the NZ Clean Car discount or "FeeBate" you will need to contact your preferred dealer. The Clean Car discount figures sourced from your dealer will differ from those listed in the BMW owner's handbook and reported figures as they have been converted by the NZ government to WLTP3 from figures derived through one of the following testing procedures: WLTP4 or NEDC.

For more information on the New Zealand Clean Car Programme, please visit www.nzta.govt.nz/vehicles/clean-car-programme
